## AUTO THEFT IS A FACT OF LIFE.

Etchguard provides traceable security codes which are permanently installed on various parts of the vehicle. These codes make your car much less desirable to thieves. Thieves don't want to steal something that can be easily traced.

- ✓ Etchguard is a permanent and proven theft deterrent that does not detract from the value or appearance of your vehicle
- ✓ Customer will receive up to a \$3,000 cash payment if vehicle is not recovered within 30 days. Customer will receive up to a \$2,000 replacement vehicle allowance if vehicle is purchased from original selling dealer

Additional exclusions may apply. Please see your Agreement for specific coverage details, including limitations and exclusions.

## VEHICLE THEFT IS ON THE RISE!

# 750,000+

average number of vehicles stolen each year in the United States.\*

## RECOMMENDED BY LAW ENFORCEMENT!

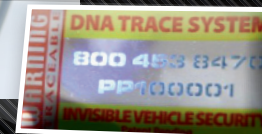

The National Insurance Crime Bureau (NICB) lists window etching as a valid method of vehicle theft deterrent that is recognized by law enforcement, governmental agencies and major insurance companies. Having an identification number permanently etched on a vehicle's glass aids law enforcement and insurance agencies in the recovery and identification of stolen vehicles.
